

# Express Pro V Frames

## Hook and Loop mop frame

### Product description

Aluminium hook and loop mop frame designed for professional cleaning of floors, walls and ceilings.

Fits with all Vileda Professional fixed and telescopic handles for increased versatility across ranges.

Replacement hook and loop blades ensures the longevity and hygiene of the mop frame and are compatible with all hook and loop mop types including standard and micro hook and loop systems.

### Application area

Available in three sizes for different applications:

**25cm** for small area cleaning of washrooms and above the floor cleaning of walls, glass, whiteboards and tables.

**40cm** for general floor and wall cleaning of small and large areas.

**60cm** for large open spaces with minimal furnishing such as corridors, sports halls etc.

### Customer benefits

- ✓ Easy clean aluminium construction
- ✓ Lock mechanism for vertical surfaces
- ✓ Ergonomic trapezoid shape
- ✓ Three sizes (25/40/60cm)
- ✓ Easy to replace blades
- ✓ 40cm available with standard and micro blades
